

According to their genealogy, the  
AMALI became a group of  
continental Goths (and the leading  
group at that) only under  
OSTRA (GOTTA).

But Ostrogoths belong to the  
Ukrainian period; around 390

c 290/321

the Goths arrived, thus  
settled the permanent division  
of the Gothic tribes.

For a century, the Westian  
Tervingi (Visigoths) would live west  
of the upper Dniester and lower Prut R.  
To the east lived the OSTROGOTHIC Iratengi

AD 290

the Roman empire was devived, after  
suffering another unaccustomed disease,  
perhaps smallpox

c 190
